

# COMPANY PROFILE

**PT. KIORA PERSADA MEDIKA**  
For a Better Life

## ABOUT OUR COMPANY

Established on October 26, 2023, **PT Kiora Persada Medika** is dedicated to providing the best and latest orthopedic medical equipment and sales services. Founded with a passion for excellence in the specialized field of orthopedics, our company addresses significant health challenges related to orthopedics and traumatology in Indonesia.

In 2022 - 2023, orthopedic cases in Indonesia, particularly fracture cases, continued to be a major concern. Studies indicate a high prevalence of fractures, with certain hospitals observing an average of 23.8 fracture cases per 1,000 outpatient visits, mainly due to traffic accidents and high-energy trauma among men. Approximately 11.5% of these cases needed referrals to hospitals with specialized orthopedic services due to limited resources in regional healthcare facilities

This highlights the urgent need for effective orthopedic solutions. **PT Kiora Persada Medika** aims to be a vital part of Indonesia's healthcare network by offering advanced products that support patient recovery and enhance community resilience.

### Our Advantages

#### 1. Top-Quality Products

We offer some of the best orthopedic products in the world, ensuring reliability and effectiveness in every solution we provide.

#### 2. Expert Team

Our human resources are passionate and knowledgeable about orthopedics, dedicated to delivering exceptional service and support.

#### 3. Strategic Location

Positioned in a prime location, we have created an optimal environment for conducting orthopedic business in Indonesia, allowing us to efficiently meet market demands and serve our clients effectively.
